## Future Virtual Instruction Dates for ALL Students

All students at St. Thomas More will be taught virtually the week of **March 15-19th, 2021** following Spring Break to allow families to become aware of close COVID contacts prior to returning to school. Further instruction and information will be forthcoming regarding these dates and the procedures to follow.

## Cold Weather Clothes

The temperatures are dropping and therefore it is time for students to start bringing a winter coat, hat, gloves, and scarves to school. When it snows, it will be important for students to have snow pants and boots. The students have outdoor recess two times daily and must have warm gear at school. If you do not have any of these items or are having trouble finding these items, please let the school know.

## Has your phone number or email address changed?

Please remember to alert the school if any of your personal information has changed like your phone number, email address, or home address. Please call the school office at 920-432-8242 to let us know!
