

Dear OLOL Families,

Our 2020-2021 school year is upon us and we cannot be more excited to have our Lourdes family together again. We recognize the trying times we have had and the adjustments each family has had to make to push through. Our Lady of Lourdes is no different. As we move forward and adjust, many of our traditional yearly events must adjust as well.

As previously announced, our amazing Night of Keys event has been postponed until the 2021-2022 school year. The tradition and reputation of this event mean the world to us and we do not want to sacrifice on that. Instead we decided to keep the event as special as always and move it forward to the next school year. It will be worth the wait!

***So, what will we do this year? Fabulous question!***

As we know our school commitments are essential to us succeeding within the GRACE system. These commitments are what allow us to maintain such high caliber education and opportunities at OLOL. In effort to meet our goals and continue to strive, we have a plan!

For the 2020-2021 school year – Let the games begin!

We are asking that each team, as outlined below, band together to meet their goal and the overall goal for OLOL. Instead of all efforts being put into one event this year, we wanted to break it up into a more manageable and attainable goal. Each team will have a goal of \$5000. How will we do that, you ask?

Here is how it will work:

Each team will have a point person(s) to help lead their choice of fundraiser. The sky's the limit! We have provided a list below of some ideas to help start the thought process and get your team to their ultimate goal! You are not alone though; Nicci Zwiefelhofer and Allisa Turriff are resources for you if you need some guidance. We have added contact information for them below. The goal is to have a team point person(s) decided by Oct 1<sup>st</sup> with a tentative plan. If you are interested in helping lead or co-lead your team, please contact Nicci Z. or Allisa T directly. As your team reaches their goal incentives await our amazing students; such as extra dress down days, extra recess, etc!
