AT HOLY FAMILY CATHOLIC SCHOOL, ALL MEANS ALL!

FROM THE PRINCIPAL

I welcome you to Holy Family Catholic School, where we have a strong tradition of inspiring faith, family values and academic excellence since 1954.

As Principal of Holy Family Catholic School, I work hard with our faculty and staff to ensure that **ALL MEANS ALL**. This means that we will do everything within our power to ensure that the needs of **EVERY** child are met regardless of obstacles that stand in our way.

Our small class sizes enable our teachers to dedicate the time necessary to guarantee a great educational experience. Our parents are some of the best around and are always pitching in to help ensure that our faculty and staff can meet our mission statement – our north star. Our students are kind, joyful and engaged in a wide variety of activities including community service. I encourage you to contact me anytime to learn more about how your family can join ours.
