SCHOOL OVERVIEW

A PLACE OF RESPECT AND INCLUSION.

Our school prides itself on its welcoming environment—from the way students are encouraged to express themselves to the endless opportunities to become involved in our school activities.

Our family community is rooted in our faith and the mission of our school. As we grow in our faith, we are called to celebrate these beliefs with others through weekly student-led masses, community outreach, service projects and the sharing of respect and kindness in all that we do daily. By learning and living their faith, Notre Dame students develop mutual respect, confidence and personal growth, allowing them to become the very best version of themselves as they embark on their journey through life.

Notre Dame of De Pere strives to meet all of our students' academic needs including our highest achievers. Technology is fully integrated into the classroom environment, and we adapt instruction to push our students to reach their highest potential.

OUR MISSION

The Notre Dame community successfully engages the whole child through experiential learning with a focus on the Catholic faith to make them stronger in mind, body and soul.

Our mission and faith guide us through each day at Notre Dame as we grow our students' skills for further education and life as the future leaders of the Catholic community. We set high expectations and provide the necessary structure for our students to exceed their goals. It truly is "an education you can have faith in."

**MORE THAN 85% OF OUR STUDENTS
PERFORM AT OR ABOVE NATIONAL NORMS
IN ALL ACADEMIC AREAS BY 8TH GRADE.**

FROM THE PRINCIPAL

Welcome to the Notre Dame of De Pere school community. Thank you for taking the time to learn about all the offerings Notre Dame of De Pere provides to our families. You will find that our vibrant school community shines bright in all we do. Our faith-filled, academically rigorous environment provides families with an educational destination that truly focuses on teaching the whole child.

I encourage you and your family to fully experience all that Notre Dame has to offer by shadowing for the day, taking a tour, joining us for an upcoming event, or participating in our student-led weekly mass. One of my favorite responsibilities is to share with new families our multitude of rich traditions embedded within 21st century learning experiences.

Our focus at Notre Dame of De Pere is to give our students the individual support they need to grow and enrich their God-given talents while surrounded in a caring, Catholic community. Our dynamic teaching team is passionate about their vocation. I look forward to the opportunity to serve your family through your child's education.

Molly Mares

EARLY CHILDHOOD PROGRAM

Notre Dame offers to three- and four-year olds education encompassing a wide range of play-based learning activities involving Spanish, art, music, literacy and technology. The students are introduced to Wilson Reading and Math Foundations, providing a head start for kindergarten readiness.

BEFORE AND AFTER SCHOOL CARE

Notre Dame offers both before and after school care Monday-Friday. Before care is available from 6:30-7:45 a.m. and after school care is available from 3:00-5:30 p.m. Students participate in planned projects and have free time inside and outdoors. Students also have quiet spaces for homework with teacher support. Schedules and registration forms are available on the Notre Dame website.

Notre Dame parents are a very active part of school life. There are many ways to personally invest time in your child's school experience; opportunities include lunch supervision, classroom assistants, coaches, Home and School officers or numerous committee roles.
