EARLY CHILDHOOD PROGRAM

St. Thomas More has a Bilingual Early Childhood program for three and four-year-olds. Our program intends to support the whole child in a play-based environment ensuring that all domains of a child's development are nurtured. We offer religion and music classes as part of our curriculum. Our three and four-year-old program is built on play-based learning and is developmentally appropriate for children at this age. Please contact the school for current program offerings involving half and full days.

SPANISH IMMERSION

St. Thomas More offers an intense Dual Language Program where students from early childhood through fourth grade are instructed in both English and Spanish literacy including reading, writing, listening and speaking with the goal of becoming bilingual. Middle school students receive Spanish instruction based on individual needs.
