Dear GRACE Families:

GRACE participates in the Wisconsin Parental CHOICE Program (WPCP) through the State of Wisconsin. The Wisconsin Department of Public Instruction (DPI) issues School Report Cards on each participating CHOICE school. Schools that participate are required to post the DPI Report Card on their school home webpage. Please find the link to our GRACE School Report online at the following address:

<https://apps2.dpi.wi.gov/reportcards>

At this site, select Private Schools and then select the School you wish to view.

Additional information required to be publicized is the Educational Options for Wisconsin students from the Wisconsin Department of Public Instruction. The link to this information online is at the following address: <https://dpi.wi.gov/ed-options>.

However, there are a few important notes to consider:

- GRACE schools are reported as NOT RATED or NO SCORE on the School Report Cards. However, we are still obligated to publish the Report Cards even with a NOT RATED SCORE.
- There is NO SCORE for GRACE schools due to the fact that there are too few student scores reported, therefore, there is not enough data to generate a School Report Card for GRACE schools.
- GRACE utilizes MAP (Measures of Academic Progress) Scores to measure, track and report student academic growth.

Should you have any questions related to the CHOICE Report Card or if you would like to request a print copy of the information, please contact Mr. Edgar Zaragoza, GRACE Outreach Administrator, at 920-499-7330, extension 311 or ezaragoza@gracesystem.org.

Thank you and God Bless,

Kimberly A. Desotell
