EGIFT CARDS AND RELOADABLES

E gift cards allow you to receive your scrip instantly. Place your eGift card order on the RaiseRight mobile app or at ShopWithScrip.com. When you pay for your eGift cards with online payments (credit card or a linked bank account), you'll receive the eGift cards immediately. All of your eGift cards automatically appear in your Wallet on the RaiseRight mobile app and on ShopWithScrip.com.

You can print eGift cards and present them like a physical gift card in the store or redeem them from the app. Redeem them online by entering the card number and PIN when you're checking out. You can also send an eGift card as a gift when shopping on ShopWithScrip.com. You will enter the email you want the escrip to be delivered to along with a message to the recipient.

Reloadable cards

Some physical gift cards are available for reload. Register an eligible gift card you purchased from ShopWithScrip and add funds to it when the balance is running low. When you pay with online payments (either a credit card or a linked bank account), funds will be added to your card in minutes, 24 hours a day, 7 days a week. For some brands, indicated as Overnight Reload, the funds will be added to your card overnight as long as the order is placed and paid for before 2:30 p.m. CT, Monday through Friday. To register a card for reload, the card needs to be purchased from ShopWithScrip.

To shop reloadable cards on the RaiseRight mobile app, choose a category, filter by Product Type, and select Reloadable. Add all the reloadable cards you've purchased to your Wallet for quick access on-the-go. Add money right from your Wallet, too. It's the easy way to keep earning with gift cards you already have. More vendors are becoming available as reloads.

IMPORTANT INFORMATION WHEN ORDERING KWIKTRIP AND SHELL CARDS ONLINE:

When ordering Shell and KwikTrip online please select the Local option unless you wish to reload the card or use the Shell card outside of Wisconsin or the UP.

The local option is printed with LOCAL in the name and no company logo. Local scrip receives a higher rebate – KwikTrip is 5% instead of 4% and Shell is 10% instead of 1.5%.

Shell Local can be used at any Shell station in Wisconsin and the UP. For use outside of WI and UP you should special order the national Shell scrip that offers a 1.5% rebate.

DOES BUYING SCRIP REALLY MAKE A DIFFERENCE?

You bet it does. The rebates may look small but it adds up quickly. Here is an example of how you can generate net earnings of \$25 per month with just everyday purchases.

Wow that is \$100 benefitting you in the remaining four school months with so little effort. You can also encourage friends and families to purchase scrip and have their earnings credited to your family’s account. So many opportunities are available to you.

And don’t forget, you can earn rebates after May 31, 2021 and over the summer to apply to tuition and 3rd source funding for next school year.

INFORMATION ON HOW YOUR NET REBATE EARNINGS ARE DISTRIBUTED

How Do Families Receive The Tuition Credit?

Family scrip tuition credits are paid directly to GRACE in **January** and **June**. GRACE applies the credit to your unpaid tuition balance.

For the 2020-21 school year, credits earned from June 1 to December 31, 2020 were applied to the 2020-21 tuition. Credits earned from January 1 to May 31, 2021 will be applied to the 2021-2022 tuition.

How are scrip credits applied to family 3rd source funding requirements?

40% of total scrip rebates earned is applied to the \$550 3rd source funding requirement.

Can our family waive the tuition credit and apply the full 80% of earned credits to meeting our family 3rd source funding requirements for the 2020-21 school year?
