Dear OLOL Families,

I hope that you had a relaxing spring break and a productive virtual week. My hope is that was the final virtual learning week that we will have to experience. I would like to thank all of the parents and the teachers for their dedication to virtual learning. We probably all took something away from these types of weeks that we can use productively in the future. Thank you for your dedication and support.

If you are comfortable we would love to see you at the OLOL Dinner and Wine Tasting on Saturday, April 10th. Wine Tasting begins at 5:00 with dinner scheduled to start at 6:00. The Green Bay Distillery does a great job of running a safe environment and we will be in the large ballroom with lots of room. We are also limiting the number of attendees to 150. The hardest part for me this year was the difficulty of creating a community feel which I feel is essential in a school environment. If you are comfortable, please join us. The order form is attached in the Lourdes Letter. Deadline to sign up is Thursday, April 1, 2021.

I tend not to try to get too political in my communication with the OLOL Community. However, there is a bill that is going to be voted on that the Diocese is asking us to be informed about. The bill hits home to me in 2 areas. The first is the limiting of religious freedoms that I think is essential in a democracy. The other is the area of girl's sports. As a father of 2 girls that were involved in sports, this bill will have a major effect in girl's sports in middle school and high school. The Green Bay Diocese has scheduled a webinar for you to get informed regarding this bill. Please see the attached link for more information:
